

# **Starting A 90 Day Game Plan** ***My Reasons For Building A Business With APLGO***

## **MY REASONS**

“The reason people don't have more success in their life is not because of lack of talent, but lack of reasons. You must WANT MORE, to have more,”  
-- Jim Rohn.

I will make a 90 day commitment to my APLGO Business to work my way through the training curve because I know this business can provide me and my family the benefits I have listed below.
